

2024 PRODUCT CATALOG

D&D MANUFACTURING, LLC. DBA

CANARY

CLOSETS & CABINETS

Doors are constructed from exact match polyester wrapped MDF moldings. Our center panels are MDF and sometimes melamine, depending on the color. In stock are six profiles and up to 150 colors with matching accessory moldings for most colors. All corner joints are mortise and tenon joinery.

Ordering

All orders are placed online through our ordering site: canary.allmoxy.com. Doors and drawer faces are based on our standard production time. Glass inserts carry an extended production time. In stock moldings are available for same day shipment. All doors and drawer faces are custom made to your specifications, therefore are not returnable. Sample door orders include a complimentary custom leather sample door and carry bag.

Shipping

We use our **National Shipping Program** for all our orders. Doors up to 60" can be boxed as well as moldings. Oversize doors up to 96" are palletized. We use FedEx ground for boxed shipments and chose the best carrier for pallet orders.

Warranty

Doors and moldings are warranted against manufacturing defects and delaminating for two years from delivery. Doors over 50" are not covered by any warping warranty. The warranty is limited to door or molding replacement only, therefore shipping, installation and related expenses are not covered.

Hinging

Hinge drilling is available in the Blum / Salice pattern. The hinge cup diameter is 35mm with a tab distance of 5mm. (note: If you are using face frame hinges, please let us know as the tab distance is 3mm).

Standard drilling is as follows:

Door height

2 holes: 0" to 35.7"
3 holes: 35.75" to 50.15"
4 holes: 50.19" to 70.75"
5 holes: over 70.86"

Hole Locations

79mm from top & bottom
79mm / center / 79mm
79mm / 463mm
79mm / 463mm / cent

Glass Inserts

Factory installed glass inserts are available in two options:

- Clear tempered
- Frosted laminated

All inserts are 1/4" and are adhered in the frames in place of the 1/4" panel, fully captive in the frame.
